2023 GCE N-Level Results Release: Supporting Your Teen

Dear Parent / Guardian,

The 2023 GCE N-Level results will be released on 18th December 2023 (Monday). Regardless of the outcome, it is important for our teens to know that they are loved for the person that they have grown up to be, and that their grades do not define who they are in our eyes. The social and emotional support you provide will be especially necessary and valuable in helping our teens manage their emotions and be positive when deciding on their next steps.

Do take this opportunity to have open conversations with your teen about his/her interests and choices and build his/her pathways together.
