2023 GCE O-Level Results Release: Supporting Your Teen

Dear Parent / Guardian,

The 2023 O-Level results will be released on **11th January 2024 (Thursday)**. Regardless of the outcome, it is important for our teens to know that they are loved for the person that they have grown up to be, and that their grades do not define who they are in our eyes. The social and emotional support you provide will be especially necessary and valuable in helping our teens manage their emotions and be positive when deciding their next steps.

Do take this opportunity to have open conversations with your teen about his/her interests and choices and build his/her pathways together.

Resources for Parents

For more resources on providing social and emotional support, affirming your teen, and supporting your teen's transition through post O-Level education, please refer to: <https://go.gov.sg/selresforparents>. You can access ECG resources via the *What's Next* pamphlet (<https://go.gov.sg/whats-next-olevel>) and the *MySkillsFuture* Student Portal (<https://go.gov.sg/MySFSec>). A circular for social and emotional support is also provided in the form of attachment #1.

However, if they wish to take up the Mother Tongue Language Elective Programme in JCs, they are able to **deduct a further 2 bonus points**.
